Bishop Larry J. Kulick **Eucharistic Revival**

GREENSBURG — Bishop Larry J. Kulick hosted regional gatherings of parish and Diocesan staff in Indiana, Connellsville and Greensburg Oct. 17 to kick off Eucharistic Revival, a three-year process initiated by the USCCB to invite the faithful to reflect upon the mystery and meaning of the sacrament of the Eucharist in our lives.

The Diocesan efforts will begin from the inside out, first offering formational and devotional opportunities for staff throughout 2023, culminating with a Eucharistic Congress next summer.

More than 200 people representing every parish and Diocesan department attended the gatherings at St. Bernard of Clairvaux Parish in Indiana, St. Rita Parish in Connellsville and St. Bruno Parish in Greensburg.

"As parish and Diocesan representatives, you are the face of this Eucharistic Revival. Oftentimes, you are the first person to come into contact with the poor, with the hurting and with those who long to return to the Church, but do not know the way. It is part of our baptismal calling to help them find that way," Bishop Kulick said.
